

Leit Motiv is a very short, precise concept perpetuating the idea of leveraging storytelling and the concept of a musical motif to dramatically increase the impact of corporate level training and motivational training. Not what you'd expect, but it's definitely what's coming next. As part of an overall series derived from the teachings of a 4D Model called The 7 Arenas of Human Experience; a number of concepts in the areas of learning, content marketing, storytelling, empowerment, even hard goods replenishment at the personal level has been addressed. Over time each of these concepts have materialized throughout our platforms and are now being shared through this book series. Want to discover how to put 4 Dimensional Revenue Strategies to work in your home, life or business? Everything from Parenting to Marketing, Personal Development, Charity Work and Creative Thinking Strategies are presented in this series and further explored on our weekly 4D TV show airing Tuesday mornings at 10AM on our Free Membership Platform at Members.x17lx.com. This series is sure to wake you up to the 4D future and its esoteric potential.
