

Cowboy Romance Menage PART 2 Short Description Below Tonya has found something that she wasn't expecting, but she isn't about to let it go easily. Walker had made her realize that life didn't have to be about misery. She didn't have to take the constant verbal abuse by her husband Thomas. If that meant taking Thomas out of the picture permanently, then she was willing to do that. She just needed to make it look like an accident and she already had some ideas about how to make that happen. Take Action and Download Your Copy Today FREE Access to New Books Inside
