

Darren Fletcher, once the rising star of Detroit's criminal justice system, has fallen far. All the way to an office in a smoky dive bar on the wrong side of the city. But a single phone call could be the key to climbing out of his downward spiral: a police brutality victim needs his help, and the family's willing to pay. Issabella Brights never thought she'd resort to ambulance chasing, until the story about a SWAT raid gone wrong proves too intriguing to ignore. But Issabella's not the only one after the job. As the case deepens and it becomes clear the Detroit PD is concealing a much bigger conspiracy, Darren and his weird methods may be all that keep her alive.
