

This story is a coming of age tale of a young man who is trying to achieve the American Dream against some of the heaviest odds. He is a foster child, his foster family is abusive, he has no role models and he is told he will be a failure most of his life, Until he meets a few of the right people who help to change his life forever. He experiences life in extreme poverty and extreme success. He has to learn that just because you are from a certain type of environment doesn't mean that you have to become a negative product of it. Where you are from does not define you, you can use it as fuel and motivation to get to the next level and he had to learn that we all are simply nothing without GOD. The story takes many turns and twists even an unexpected birth takes place that helps to give him a proper focus in his misdirected life. Keenan J Robinson M.Ed Nothing Without GOD Productions
