- Michael Boyd This book made me see myself in another light. It made me believe that I can do it this time and not fool around anymore every time there is a task that needed to be done. I am really grateful that I bought and have read this book. My work really means a lot to me as it serves as my life saver when it comes to paying my necessities and bills so I dont want to throw an opportunity like this away. I need to stay motivated and excited just like what this book says. I really appreciate that the writer even included some songs that can help you stay happy and motivated to push yourself and stop procrastinating and get things done on time. =)

- Nelly T. I obviously cant say for sure if this has worked 100% but its given me tools Ive already been able to put into practice that have changed the way I look at how I spend my time and how to better focus on the things that are important. I cant yet gauge how much more productive its made me, but Im pretty confident its going to make a difference. If you struggle with procrastination, I cant recommend this enough. Stop the cycle of self-loathing and realize that youre not a worthless human being! Youre capable of much, much more. - Stuart Powell
